

MISS PLANO FRISCO  
*Scholarship Organization*

An official local preliminary to Miss America

Thank you for your interest in the Miss Texas Lone Star Princess program! We hope you will make the decision to join our organization in this exciting endeavor. Our Lone Star Princess Chairman is Cheryl Heflin and she may be reached by emailing [princess@mpfo.com](mailto:princess@mpfo.com)

The Miss Texas Scholarship Pageant Lone Star Princess Program is for young ladies (ages 6 – 12). The purpose of the program is for the local Miss Texas titleholder to mentor these young ladies who may have an interest in competing someday in the Miss Texas Scholarship Pageant and who are interested in community service. The Princesses will have the opportunity as provided by the local pageant director and local titleholder to be a part of the titleholder's year.

We want our princesses to be involved! You decide the level of involvement in regards to time and opportunity. There are several functions that we highly encourage our Princesses to take part in. The first is our annual preliminary Miss & Teen local pageant. We will introduce our princesses on stage, and depending on their age, we have found they love to help out with some of the aspects of the pageant (helping out at the concession stand, handing out program books, etc.) They also love sitting in the special VIP section of the auditorium.

Another event the princess's love is our Miss America Workshop and Little Miss pageants. They have fun being the "stars of the show" and having the opportunity to work with the titleholders. Princesses also enjoy participating in the different aspects of our titleholders state pageant preparation. From going on appearances and riding in a parade, to shopping for competition wardrobe, and going to Princess Luncheons you can be assured your little princess will have the time of her life. Of course, everything is totally optional, when your time permits.

Each princess will receive a crown, an official t-shirt, and tickets to the Miss Texas Pageant for herself and her chaperone. She will accompany her titleholder during the evening gown competition, and even participate in a production number on stage at the Miss Texas State Pageant. What a fun time our Princess' have had!

I hope you will consider our program!
